- Basic White Card Stock
- Most Adored Designer Series Papers
- Linen Thread
- Real Red Ribbon
- Glue Dots
- Cellophane Tape

### Directions

- Cut a card base from the Real Red card stock 14.85cm x 21cm (5-1/2" x 8-1/2"). Score in half at 10.5cm (4-1/4"), fold and burnish.
- Using the Basic White card stock cut a liner for your card, 14.3cm x 10cm (5-1/4" x 4"). Glue to the right side of the inside of your card leaving an equal border all the way around.
- Cut a layer for the front of your card from the Most Adored Designer Series Paper 14.3cm x 10cm (5-1/4" x 4") Glue to the front leaving an equal border all the way around.

- Using the dies from the Adoring Hearts Hybrid set cut two large hearts and two small hearts from different scraps of the Most Adored Designer Series Papers and one of the larger hearts from a scrap of Real Red card stock.
- Cut 6 pieces of Linen Thread 13cm (5") long. Using regular cellophane tape attach the thread pieces to the back of the hearts.
- Place a Stampin Dimensional on the back of each heart. Arrange the hearts as if they were balloons floating up. Gather the Linen Threads together and tie with the extra piece of thread. Use a glue dot to glue down the threads at the tie point.
- Tie a bow with the Real Red Ribbon and place over the tie point with another glue dot.
- Trim the tails even with the bottom of the card.
