Directions

Cut a card base out of the Wild Wheat 14.85cm x 21cm (5-1/2 x 8-1/2")
Score a center line at 10.5cm (4-1/4). Fold and burnish.

If using a liner (recommended) cut one from the Basic White card stock 14.3cm x 10cm (5-1/4" X 4"). Glue to the right side of the interior of the card leaving an equal border of the Wild Wheat showing all the way around.

Using the Lost Lagoon card stock cut a layer 14.3cm x 10cm (5-1/4" X 4") and glue to the front of the card leaving an equal border of Wild Wheat showing all the way around.

Cut the next the next card layer out of Wild Wheat 13.7cm x 9.5cm (5" x 3-3/4"). Emboss using the "linen effect" embossing folder from the Basics 3D Embossing Set. Glue this layer on top of the Lost Lagoon layer, again leaving an equal border of Lost Lagoon showing all the way around.

Cut a piece of the Adoring Hearts Designer Series Paper to 4.5cm x 12cm (1-3/4" x 4")

To layer the Designer Series Paper cut a mat out of the Lost Lagoon 5cm x 12.5cm (2" x 4-1/4"). Glue the Designer Paper to the mat leaving an equal border.

For the heart design, cut a square of Basic White card stock to 6.3cm x 6.3cm (2-1/2" x 2-1/2") Using the VersaMark ink stamp the heart design into the center of the card stock. Cover with the gold embossing powder and heat to emboss.

Glue the gold heart on white to a piece of Wild Wheat card stock cut to 6.8cm x 6.8cm (2-5/8" x 2-5/8").

Next glue the heart onto a second mat cut to 7.3cm x 7.3cm (2-7/8" x 2-7/8") out of the Lost Lagoon color card stock.

Mount the two panels onto the front of the card using the picture as a reference. The longer panel is glued flat and the square heart panel is raised up on Stampin Dimensionals.

One large and two smaller gold Sparkle Gems were placed to draw the eye around the card.
