Directions

- Cut a side opening card base 21cm x 14.85 (8-1/2" x 5-1/2") from the Petal Pink card stock. Score halfway at 10.5cm (4-1/4").
- For the first layer cut a piece from a pink patterned paper, measuring 10cm x 14.4cm (4" x 5-1/4"). Glue to card front leaving an equal border all the way around.
- Optional: Cut a card liner out of basic white, 10cm x 14.4cm (4" x 5-1/4").
- Stamp the Happy Birthday greeting three times onto a piece of white card stock using the Melon Mambo ink. Punch or die cut the greetings.
- Punch or die cut three of the label shapes from the Melon Mambo card stock. Cut each of these shapes in half. (see Photo)

- Using a ruler or graft paper line up each half of a Melon Mambo label so that the length equals 9.5cm (3-3/4"). Put a bit of glue at each end of the white stamped label and glue to the Melon Mambo pieces creating one long label.

- Place dimensionals on the backs of your labels and position on the card according to the sketch. Be sure to leave a 5cm (1/4") border around each label. The three rectangles should be evenly spaced towards the top.
- Finish by placing the petal pink foiled gems at each end of your labels.
