Time to Celebrate July Card Sketch

PaperPlaySketches.blogspot.com

Supplies

- Round We Go Photopolymer Stamp Set
- Round We Go Die Set
- Basic Beige Card Stock
- Basic White Card Stock
- Peach Pie Card Stock
- 2024-2025 In Color Designer Series paper
- Peach Pie Stampin Pad
- 2024-2025 Shimmer Gems
- Linen Thread
- Paper Trimmer
- Multipurpose Liquid Glue
- Stampin Dimensionals

Directions

- Cut a side opening card base 21cm x 14.85 (8-1/2" x 5-1/2") from the Basic Beige card stock. Score halfway at 10.5cm (4-1/4").
- For the first layer cut a piece from 2024-2025 In Color Designer Series Paper, measuring 10cm x 14.4cm (4" x 5-1/4"). Glue to card front leaving an equal border all the way around.
- Optional: Cut a card liner out of basic white, 10cm x 14.4cm (4" x 5-1/4").
- Cut a rectangle from the Peach Pie card stock measuring 5.5cm x 9cm (2-3/16" x 3-1/2"). Using the Peach Pie Stampin Pad and the small star & dot stamp, stamp several times to create a background. Glue to your card according to the finished photo.
- Next cut a rectangle measuring 10cm x 4cm (4" x 1-1/2") from the Basic Beige card stock. Glue to the according to photo.
- Cut a small rectangle from Peach Pie card stock, 4.5cm x 3.5cm (1-3/4" x 1") Stamp your greeting in Peach Pie ink. I rounded the corners on this piece but it is not strictly necessary.
- Loop linen thread several times back on itself and stick to the back of the greeting rectangle. Place dimensionals behind the greeting to raise it up.
- Die cut the smaller of the solid circles from the die set in Peach Pie along with the rounded flower shape. Next cut the pointed flower shape and the round center from Basic Beige. Layer up the solid circle first, then the beige pointed flower shape, then the peach rounded flower shape and finish by gluing the center piece on top. Top off the stack with a shimmer gem. Place dimensionals on the back and glue in place beside the greeting.
- I finished the card by adding two more shimmer gems to give it just a bit more sparkle.
