Directions

- Cut a right side opening card base 21cm x 14.85 (8-1/2" x 5-1/2") from the Daffodil Delight card stock. Score at 10.5cm (4-1/4"). Fold and burnish well. If you prefer something a little different this card would work well with a bottom opening card. In which case your half sheet of card stock would measure 10.5cm x 29.7cm (4-1/4" x 11"). Score half way on the long side at 14.84cm (5-1/2")
- Optionally cut a card liner from basic white card stock measuring 10cm x 14.35cm (4" x 4-1/2").
- For the First Layer cut a piece of the Floral Delights Designer Series Paper to 10cm x 14.35cm (4" x 5-1/4"). Adhere this piece so that an equal border of about .25cm (1/4") of the Daffodil shows on all sides. (See finished photo.)
- For the next layer cut out a rectangle measuring 6.7cm x 7.5cm (2-5/8" x 3-1/4") out of the Floral and Gingham vellum. Using a couple of glue dots adhere this piece to the card front as shown in the finished photo.
- For the greeting cut a rectangle out of white card stock, 6.2cm x 7.5cm (2-3/8" x 2-7/8") and stamp with the Tuxedo Black Memento ink. I used the Stampin Blend markers to color in the hot air balloons.
- Back the greeting piece with another rectangle, 6.7cm x 7.5cm (2-5/8" x 3-1/4") cut from the Daffodil Delight card stock. Adhere this piece to the back of the greeting leaving an equal border of the Daffodil showing all the way around.
- Cut a length of white 1/4" ribbon slightly longer than the width of your card. Color both sides of the ribbon with the Pool Party Stampin Blend marker. Allow to dry for a few moments. Fringe the ends of the ribbon and adhere into place using mini glue dots. Trim the ends to fit the card.
- Place dimensionals on the back of the greeting and adhere into place on the card front.
- Decorate the card with the yellow dots from the Low Profile Sparkle Dots set.
