Directions

- Cut a right side opening card base 21cm x 14.85 (8-1/2" x 5-1/2") from the Crumb Cake card stock. Score at 10.5cm (4-1/4"). Fold and burnish well. Turn the fold so it is at the top to make a bottom opening card base. If you prefer something a little different, turn your card stock and cut a 'long card base' measuring 10.5cm x 29.7cm (4-1/4" x 11"). Score half way on the long side at 14.85cm (5-1/2") and turn the card base so that the fold is on the left and the card opens on the right.
- Optionally, but recommended, cut a card liner from basic beige card stock measuring 10cm x 14.35cm (4" x 5-1/4").
- For the First Layer cut a piece of the Perennial Lavender Designer Series Paper to 10cm x 14.35cm (4" x 5-1/4"). Adhere to card front being sure you create an *equal* border of about .25cm (1/4") of the Crumb Cake on all sides. (See finished photo.)
- Using a coordinating piece of paper from the Perennial Lavender DSP, die cut a large rectangle using the 8.4cm x 12cm (3-3/8" x 4-3/4") size rectangle from the Textured Notes die set. Be sure to center up the part of the image you are keeping from patterned paper. Stamp your greeting using Gorgeous Grape ink.
- Tie some of the Crumb Cake colored Baker's Twine around the left side of the card, I wrapped it twice before I tied the bow to give the illusion of a wider ribbon.
- Attach dimensionals to the back of the large rectangle and affix according to the placement in the finished photo.
- Finish with a scattering of three Purple Fine Shimmer Gems.
