Directions

- Cut a right side opening card base 21cm x 14.85 (8-1/2" x 5-1/2") from the Gorgeous Grape card stock. Score at 10.5cm (4-1/4"). Fold and burnish well.
- Optionally, but recommended, cut a card liner from basic white card stock measuring 10cm x 14.35cm (4" x 5-1/4").
- For the First Layer cut a piece of the Perennial Lavender Designer Series Paper to 10cm x 14.35cm (4" x 5-1/4"). Adhere to the card base leaving an equal border of card stock on each side.
- The second layer consists of two rectangles cut from the Perennial Lavender to approximately 10cm x 3.9cm (4" x 1-1/2"). Tear a small amount of paper from one end of each of the rectangles. Adhere flat to the card front using the card sketch as a guide.
- Stamp the lavender motif from the Gallery Blooms stamp set with the Memento Black ink onto a scrap of Crumb Cake card stock. Color in the motif, using the Highland Heather and Shaded Spruce Stampin Blend markers. I used both light and dark markers. Die cut the motif with the matching die from the Gallery Blooms die set.
- Die cut a 7cm (2-1/8") circle using the Spotlight on Nature dies from the Crumb Cake card stock. Stamp your greeting with Tuxedo Black ink. Glue the lavender motif to the this circle using the finished photo as a guide.
- Place dimensionals on the back side of these two pieces treating them as one object and glue to the card front.
- Finish the card with some of the Purple Fine Shimmer Gems.
