Directions

- Cut a right side opening card base 21cm x 14.85 (8-1/2" x 5-1/2") from the Early Espresso card stock. Score at 10.5cm (4-1/4"). Fold and burnish well.
- Optionally, but recommended, cut a card liner from very vanilla card stock measuring 10cm x 14.35cm (4" x 5-1/4").
- For the First Layer cut a piece of the Textured Notes Designer Series Paper to 10cm x 7.6cm (4" x 3"). Using the dark brown (SU100) Stampin Blend marker go over the woven 'stitches' on the paper. I found that using a ruler helped keep the marks lined up. Adhere to the card base leaving an equal border of card stock on top and bottom and from side to side.
- Die cut the label from Very Vanilla card stock using the 9.5cm x 5.8cm (3-3/4" x 2-1/4") rectangle. Stamp the greeting in the Early Espresso ink. Using a blending brush, put a small amount of Pecan Pie ink around the edges of the label. Follow up with putting a second light layer of Early Espresso ink over the top of the Pecan Pie ink.
- Place dimensionals on the back side of the label and glue to the card front.
- Finish the card by placing four Flower Motif embellishment, one at each corner of the label as if they were metal brands holding the label in place..
