Directions

- Cut a right side opening card base 21cm x 14.85 (8-1/2" x 5-1/2") from the Gorgeous Grape card stock. Score at 10.5cm (4-1/4"). Fold and burnish well.
- Optionally, but recommended, cut a card liner from Basic White card stock measuring 10cm x 14.35cm (4" x 5-1/4").
- Cut 3.3cm x 14.35cm (1-1/4" x 5-1/4") long rectangle from one of the patterns from the Perennial Lavender Designer Series Paper set. Adhere this piece to the left side of the card front leaving an equal border on the left, top and right side. (See finished photo)
- A second rectangle is needed for the right side. Cut this one at 6.5cm x 14.35cm (2-5/8" x 5-1/4") from a coordinating piece of the Designer Series Paper. Adhere this one to the right side of the card front, leaving an equal border on the right, top and bottom sides. There should also be a space between the two rectangles equal to the side borders, approximately 2cm (1/8")
- The first layer of the greeting is a 7.5 cm x 7.5cm (2-1/2" x 2-1/2") square cut from Gorgeous Grape card stock. Adhere this square at a slight cant as shown in the finished photo.
- The second piece of the greeting is die cut using the 7cm x 7cm (2-3/4" x 2-3/4") square from the Joyful Squares die set and a scrap of the Basic White card stock. The greeting border is stamped in the Crumb Cake ink with a stamp from the Joyful Squares stamp set. The greeting itself is stamped in Gorgeous Grape ink using a stamp from the Greenery Lane stamp set.
- Adhere the greeting to the card front over the Gorgeous Grape square using dimensionals. See finished photo for placement.
- Finish the card by placing three of the Purple Fine Shimmer Gems on the card front. Arranging them in a rough triangle.
