Directions

- Cut a right side opening card base 21cm x 14.85 (8-1/2" x 5-1/2") from the Highland Heather card stock. Score at 10.5cm (4-1/4"). Fold and burnish well.
- Optionally, but recommended, cut a card liner from Crumb Cake card stock measuring 10cm x 14.35cm (4" x 5-1/4"). Adhere to the inside of the card.
- For the background, cut two rectangles from a piece of the Perennial Lavender Designer Series Paper measuring 10cm x 7.5cm (4" x 2-3/4") and 10cm x 3.5cm (4" x 1-1/4").
- From a scrap of the Crumb Cake card stock cut two rectangles, the first measuring 5cm x 8.5cm (1-7/8" x 3"), the second measuring 10cm x 3cm (4" x 1"). Set aside the larger rectangle for the moment.
- Adhere the larger rectangle to the upper portion of your card front. Be sure there is the same amount of border on the top and each side. (See finished photo). Next adhere the crumb cake long rectangle (measuring 10cm x 3cm (4" x 1")) just below the large DSP rectangle, aligning them from side to side. There should now be an equal amount of Highland Heather showing all the way around the large DSP rectangle. Adhere the last and smaller DSP rectangle below the Crumb Cake strip. Align the sides with the upper two rectangles. There should be an equal border of the Highland Heather showing around all sides of this smaller rectangle. Note: this is the place to adjust the borders if necessary.
- Using the Highland Heather and Gorgeous Grape inks stamp the inside images from the Greenery Stamp Set onto a piece of the Crumb Cake card stock. Lightly mist the card stock with a bit of water and set aside to dry. When the piece has dried stamp the outline images with the Blackberry Bliss ink. Die cut out the images using the matching Greenery Die set.
- Cut a rectangle out of a scrap of the Highland Heather card stock to 5.4cm x 8.9cm (2-1/8" x 3-1/4"). Place the Crumb Cake rectangle you set aside in the above step over the top of the Highland Heather leaving an equal border all of the way around the piece.
- Adhere the die cuts to this layered rectangle piece. Place dimensionals on the back and adhere to the card front as showing in the finished photo.
- Finish with a trio of Purple Fine Shimmer Gems.
