Nature's Symphony May Card Sketch

Supplies

- Nature's Symphony Photopolymer Stamp Set
- Nature's Symphony Dies
- Nature Walk Designer Series Paper
- Garden Green Card Stock
- Basic Beige Card Stock
- Garden Green Stampin' Pad
- Baker's Twine Essentials Pack
- Faux Bronze Pentagons
- Multipurpose Liquid Glue
- Mini Dimensionals
- Paper Trimmer
- Cut and Emboss Machine

Directions

- Cut a right side opening card base 21cm x 14.85 (8-1/2" x 5-1/2") from the Garden Green card stock. Score at 10.5cm (4-1/4"). Fold and burnish well.
- Optionally, but recommended, cut a card liner from Basic Beige card stock measuring 10cm x 14.35cm (4" x 5-1/4"). Adhere to the inside of the card.
- For the background, cut three rectangles from a piece of the Nature Walk Designer Series Paper measuring 10cm x 7.5cm (4" x 2-3/4") and 10cm x 3cm (4" x 1") and 10cm x 3.5cm (4" x 1-1/4"). For this card I was able to cut the rectangles from a single sheet of the paper as the pattern on the paper goes from light to dark.
- Adhere the larger rectangle to the upper portion of your card front. Be sure there is the same amount of border on the top and each side. (See finished photo). Next adhere the rectangle measuring 10cm x 3cm (4" x 1") just below the large rectangle, aligning them from side to side. There should now be an equal amount of the Garden Green card stock showing all the way around the large DSP rectangle. Adhere the last and smaller DSP rectangle. Align the sides with the upper two rectangles. There should be an equal border of the Green showing around all sides of this smaller rectangle. Note: this is the place to adjust the horizontal borders if necessary.
- Using the Garden Green ink stamp the large foliage inside image from the Nature's Symphony Stamp Set onto a piece of the Garden Green card stock. Die cut out the image using the matching Nature's Symphony Die set.
- Place Mini Dimensionals on the back of the die cut piece to pop it up. Place on the card front. See finished photo and card sketch for positioning
- Tie a bow with length of basic beige Baker's Twin and stick it over the stems of the die cut. Finish with a trio of Faux Bronze Pentagons.
