Any Occasion October Card Sketch

This card sketch compliments of the
Stampin'Up! design team

Template No. 3

Supplies

- Flourish and Frames Photopolymer Stamp Set
- Flourish and Frames Dies
- Aritsan Sketched Garden Designer Series Papers
- Basic Black Card Stock
- Basic White Card Stock
- Hybrid Black Stampin' Pad
- Iridescent Ribbon 3/8" (black)
- Multipurpose Liquid Glue
- Stampin' Dimensionals
- Oval Label Punch*
- Paper Trimmer
- Cut and Emboss Machine

Directions

- Cut a bottom opening card base 21cm x 14.85 (8-1/2" x 5-1/2") from basic black card stock. Score at 10.5cm (4-1/4"). Fold and burnish well.
- Cut a card liner from the basic white card stock, 10cm x 14.35cm (4" x 5-1/4"). Stamp a greeting or image as desired. This piece can be affixed to the inside of the card at any time.
- Cut a piece of the Artisan Sketched Designer Series Paper to 10cm x 14.35cm (4" x 5-1/4"). Affix this piece to the center of the card front leaving an equal border of the black showing all the way around.
- Cut a strip of black card stock to 12.5cm x 3.8cm (4-1/2" x 1-1/2"). Thread the strip through the back of the Oval Punch and out one side to cut the oval shape into the end of the strip. Reverse the strip and cut the other side. *Sadly the Stampin' Up! Oval Label Punch has been discontinued. If you do not have the oval punch you can punch out a 3.8cm (1-1/2") circle and align it the ends of the strip to act a cutting guide to round the ends of the strip. Adhere this piece to the center of your card front.
- Die cut the next to the largest frame die from the Flourishes and Frames die set out of basic white card stock.
- Stamp the bee and small 3-leaf clusters onto the white frame piece using the Black Hybrid ink.
- Cut a relatively long piece of the 3/8" ribbon and loop it diagonally across the black strip. Look at the finished photo for placement. Glue or cello tape the ribbon in place.
- Place dimensionals on the back side of the stamped white piece and adhere to the center of the card over the ribbon.
