Directions

- Cut a bottom opening card base 21cm x 14.85 (8-1/2" x 5-1/2") from Pecan Pie card stock. Score at 10.5cm (4-1/4"). Fold and burnish well.
- Cut a card liner from the basic white card stock, 10cm x 14.35cm (4" x 5-1/4"). Stamp a greeting or image as desired. This piece can be affixed to the inside of the card at any time.
- Cut a piece of the Sunflower Fields Designer Series Papers to 10cm x 14.35cm (4" x 5-1/4"). Affix this piece to the center of the card front leaving an equal border of the black showing all the way around.
- Cut a strip of the Radiant Foil Specialty Paper to 12.5cm x 5.5cm (4-1/2" x 2-3/16"). On the right side of your strip make a small mark about 2cm (3/4") along the bottom of that strip. Cut from the top corner diagonally down to the 2cm (3/4") mark. On the left side of your strip make the 2cm (3/4") mark at the top and cut from this mark down to the lower corner. Adhere this piece to the center of your card front.
- Stamp the largest flower cluster onto basic white card stock using the Hybrid Black Stampin' Pad. I colored in the flowers and leaves using the following colors of Stampin' Blend markers: Old Olive Light & Dark, Mossy Meadow Light & Dark, Daffodil Delight Light & Dark, Cajun Craze Light, Pecan Pie Light & Dark. Cut out the image using the matching die.
- Stamp the greeting onto a scrap of the white card stock using the Black Hybrid ink. And trim around it to get a rectangle approximately 5cm x 2.5cm (2" x 1"). Place dimensionals onto the back of this piece and place at the upper right corner of the Foil piece. See finished photo.
- Place dimensionals on the back of the flower center piece created above and adhere to card front. Be sure to leave the area that will cover the edge of the greeting free of dimensionals as the greeting and the center piece should remain on the same level above the card base.
- Tie a small bow out of the linen thread and adhere it to the center of the greeting just below the edge of the greeting.
- Finish the card with a trio of Radiant Gems.
